# Who Uses CMMI®?

Those who want to demonstrate their capability to win business

You're expected to keep improving by submitting yourself to evaluations and adopting new ideas in a framework that maintains this robustness. The journey is not the endpoint but the opportunity for continuous improvement.

- Andreas Kramvis, Vice Chairman, Honeywell

With CMMI, the entire team overcame challenges and created new tools and standards, developing a new state-of-the-art process for software development.

- Carlos Henrique Novaga Alves, General Manager for Industrial IT Solutions, Chemtech

Sustaining a maturity level 5 rating helps our employees understand what is needed to meet our customer demands proactively and gives them confidence to deliver...

- Chandrasekaran Ramakrishnan, Group Chief Executive, Technology & Operations, Cognizant

We Identified CMMI as one of the most complete and widely recognized sets of industry best practices, allowing process improvements in a structured and systematic way. We are convinced that its adoption was essential to our success.

- Luc Chiasson, Group Leader of Quality Assurance and Continuous Improvement, Mirabel

Those who want to build capability to improve business results

Companies of all sizes use CMMI in 102 countries, and while most have 100 employees or less, [CMMI also services 12 of the top 20 Global Technology Companies.\\*](#)

# CMMI® Is Used By The Best Companies Of All Sizes And Across Many Industries
